### He Is Risen! Alleluia, Alleluia

Easter celebrates not only the resurrection of one man, but the resurrection of the whole human race. Perhaps this is the full meaning of the term "son of Man," so important to the gospel writers: Jesus is the new generation of humanity, a new humanity. By proclaiming his resurrection now (not at the end of time), we are inviting people everywhere to join him – in a new birth, as part of a new humanity, celebrating a new covenant, to walk "in newness of life." We are saying, "You don't have to wait for some distant future to start practicing kindness, nonviolence, reconciliation, reverence, joy, hope, neighbourliness and peace. You can leave the old humanity behind and start practicing this new humanity now.

On behalf of our Glanmire Parish Pastoral Assembly and the two Fr John's we wish all a very Happy Easter. May the new life of Christ bring you all joy, happiness and peace in your homes and lives.

A special thanks to all who gave their time and efforts into making our liturgies times of communal prayer, reflection and celebration. There are so many
