From time to time people asked me 'what does the Parish Assembly do? What's the parish assembly?'

The Parish Assembly is a leadership group within our parish that is concerned with pastoral planning. Their primary role is to help to discern the needs of the parish and to plan how these needs can be best met by helping people in the community to recognize their gifts and talents and to use them for the good of the parish.

Parish assemblies are founded on the conviction that each of us has a part to play in our own particular parish and the realization that the life of our parish can be incredibly enriched if and when we all are willing to put our gifts and talents at the service of the community.

There are many groups within our parish who work in the background to make the running of the parish more efficient.

The following is a list of the different groups working in the parish. Ministers of the Word, Ministers of the Eucharist, Sunday Mass Collectors, Altar servers, Altar Society (flowers for Altar), Cleaning (St Joseph's Thursday's), Baptism Groups and Choirs.

Any help you can give any of our groups will be very much appreciated as the more bodies we have reduces the work load on all the members.

As chairman of our Parish Assembly I am available to meet any parishioner to discuss where you could use your gifts and talents to improve our service to the parish.

Please contact me or any of our priests.
