What parable would make a man leave everything?

What parable would make a man with three doctoral degrees (one in medicine, one in theology, one in philosophy), leave civilization with all its culture and amenities and depart for the jungles of Africa to serve as a missionary doctor for 47 years? What parable could induce a man, who was recognized as one of the best concert organists in all Europe, to go to a place where there were no organs to play? What parable would so intensely motivate a man that he would give up a teaching position in Vienna, Austria to go to help people who were so deprived that they were still living in the superstitions of the dark ages, for all practical purposes? The man of course was Dr. Albert Schweitzer who won the Nobel Peace Prize in 1952 and the single parable that so radically altered his life, according to him, was our text for this morning, the parable of the rich man and Lazarus, the beggar. That parable convinced Schweitzer that the rich, Europe, should share its riches with the poor, Africa, and that he should start the process.

An upcoming Monastic Experience Weekend will be held at St. Mary's Abbey, Glencairn on 28-30 October, 2016.

Cistercian nuns seek God and follow Christ in a life of prayer and worship, work and study in a stable, loving community. We are a vibrant community of 28 sisters.

We invite women who are considering God's call to join us for the weekend for this unique opportunity to gain insight into what vocation discernment is all about, meet our community and get to know more about the monastic way of life.

We also invite parishioners to pray for this event and for vocations to the religious way of life in Ireland.
