## The final squeeze

There is a story about a local fitness center that was offering €1,000 to anyone who could demonstrate that they were stronger than the owner of the place. Here is how it worked. This muscle man would squeeze a lemon until all the juice ran into a glass, and then hand the lemon to the next challenger. Anyone who could squeeze just one more drop of juice out, would win the money. Many people tried over time - other weightlifters, construction workers, even professional wrestlers, but nobody could do it. One day, a short and skinny guy came in and signed up for the contest. After the laughter died down, the owner grabbed a lemon and squeezed away. Then he handed the wrinkled remains to the little man. The crowd's laughter

turned to silence as the man clenched his fist around the lemon and six drops fell into the glass. As the crowd cheered, the owner paid out the winning prize and asked the skinny guy what he did for a living. "Are you a weightlifter, or wrestler, or what?" The man replied, "I work for The Revenue."

Nano Nagle, Foundress of the Presentation Sisters, was made Venerable by Pope Francis in 2012. Since then we are actively encouraging prayer for a miracle which is required for her canonization. Nano set up several hedge schools in Cork in the 1700's at a time when Catholic education was forbidden. We are inviting you all to join us in promoting devotion to Nano and praying for a miracle.

Prayer for canonisation of Nano Nagle.

O God, you filled the heart of Nano Nagle with loving care and compassion for the needy. Through her intercession, help us in our need. (Specify need). Grant that, like her, we may do your Will, and that we may grown in your love and in the love of our neighbour. Through Christ our Lord. Amen.
