Touching the body of Christ!

St Teresa of Calcutta (Mother Teresa), had a rule that when a newcomer arrived to join her Order, the Missionaries of Charity, the very next day the newcomer had to go to the Home for the Dying. One day a girl came from outside India to join the Order. Mother Teresa said to her: "You saw with what love and care the priest touched Jesus in the Host during Mass. Now go to the Home for the Dying and do the same, because it is the same Jesus you will find there in the broken bodies of our poor." Three hours later the newcomer came back and, with a big smile, said to her, "Mother, I have been touching the body of Christ for three hours." "How? What did you do?" Mother Teresa asked her. "When I arrived there," she replied, "they brought in a man who had fallen into a drain and been there for some time. He was covered with dirt and had several wounds. I washed him and

cleaned his wounds. As I did so I knew I was touching the body of Christ." To be able to make this kind of connection is a very special Christian insight.

Parish office will be open on Monday only next week. Balance due for the bus to the Phoenix Park on Sunday can be paid then. Thank you.
