Intolerance in the blood

In Belfast, a Catholic priest, a Protestant minister and a Jewish rabbi were engaged in a heated theological discussion. Suddenly an angel appeared in their midst and said to them, "God sends you His blessings. Make one wish for peace and your wish will be fulfilled by the Almighty." The Protestant minister said, "Let every Catholic disappear from our lovely island. Then peace will reign supreme." The priest said, "Let there not be a single Protestant left on our sacred Irish soil. That will bring peace to this island." "And what about you, Rabbi?" said the angel. "Do you have no wish of

your own?" "No," said the rabbi. "Just attend to the wishes of these two gentlemen and I shall be well pleased."
