## Marriage needs much generosity

Spouses need to work hard to create a good marriage: Marriage demands that they should become the right persons for each another. Marriage is a union based on committed sharing, and forgiving, sacrificial *agape*-love. It requires many mutual adjustments; much generosity and great good will to forgive and ask for forgiveness; sincere cooperation in having children and raising them well; and daily strength from God obtained through personal and family prayers.

We need to reach out with Christian sympathy to the divorced and to troubled families. The parish community needs to accept divorced people with respect, compassion, sensitivity, love and support, sharing the depth of their pain from a failed, or failing, marriage. Those people who are

divorced “should be encouraged to listen to the Word of God, to attend the Sacrifice of the Mass, to persevere in prayer, to bring up their children in the Christian Faith” (*Catholic Catechism* #1651).
