Happiness in Puppy's Tail

Said a puppy to his old uncle dog, "From my short experience in life I have learned that the best thing for a dog is happiness and that happiness is in my tail. That is why I am chasing my tail, and when I catch it, I shall have perfect happiness." The old dog replied, "From my research and long experience, I too, have judged that happiness is a fine thing for a dog and that happiness is in his tail. But I've noticed that whenever I chase it, it keeps running away from me, but when I go about my business, it comes after me." Where do we go in search of happiness? In the *Sermon on the Mount*, as recorded in Matthew, and in the *Sermon on the Plain* in Luke from which we read today, Jesus gives us a picture of a happy life. Jesus tells us that we can find true and lasting happiness in ways we may never

have considered. Try looking after the poor, the hungry, the hopeless, the damaged, the vulnerable and we might just catch that tail after all. Coffee morning in Upper Glanmire Community Centre today after 10 am Mass. All welcome.
