## Temples of the Triune God

St. Francis of Assisi was an ardent advocate of the doctrine of the indwelling of God in the human. It enabled him to love everyone equally whatever his position in life. One day he met a fellow who had no love for God. As they walked along, they met a man who was blind and paralyzed. St Francis asked the sightless cripple: "Tell me if I were to restore your eyesight and the use of your limbs, would you love me?" "Ah," replied the beggar, "I would not only love you, but I would be your slave for the rest of my life." "See," said Francis to the man who maintained that he could not love God, "this man would love me if I gave him his sight and his health. Why don't you love God who created you with eyesight and strong limbs?" That is what Jesus tells us in today's Gospel. If we love Jesus because of the countless blessings he has given us, and so keep his word as the center of our life, he will start dwelling within us in the company of his Father and the Holy Spirit, making us the temples of the Triune God.
