Prayer – God always has time / God is available 24 hours a day

Why do people pray?

Because God exists. Deep inside, people have a longing for God.
And God longs for them.

That's why people of all cultures and religions of the earth pray.
As Christians we pray to our heavenly Father through Jesus Christ, our Lord.

The Holy Spirit is the inner teacher of Christian prayer.

Human beings live in God – like fish in the water.

He is always in us and around us, although we do not see him.

Praying is human; dogs don't pray.

What is praying?

Praying means talking to God.

Praying means giving your heart to God.

Praying means becoming quiet.

Praying means listening to God.

Praying means thanking HIM.

Praying means asking HIM, telling HIM everything:

All your worries, all your fears.

Everything that burdens your conscience, everything you are pleased about.

Praying also means accepting sadness and asking God to come also into our difficulties.

Our Father in Heaven is very close to us.

He sees you too, hears you, really knows you.

He is at least as interested in you as a good mother is in her children.

He has time for you and over the years, gives you much, much more than you can imagine.

Annual Mass in Ballyluchra Cemetery Monday 29th at 7.30pm.

Rosary at the Grotto on Wednesday evening at 7.30 pm.
