## God's wisdom

God's wisdom is mysterious and hidden and has existed before the earth began. Since it is so mysterious and hidden, how do we know it exists and what has love got to do with it. Those who base wisdom on knowledge derived solely on what they can see and/or hear and/or on what they can reason will not get what St Paul is actually saying about God's wisdom. However, those who realise that you can also gain knowledge with your Heart and Soul will grasp that this is the key to this mysterious and hidden wisdom.

To give an everyday example of wisdom/knowledge that you gain through your Heart and Soul, think about the following.

You know that your parents love you.

You know that your partner loves you.

You know that your children love you.

You know that you love your children / grandchildren.

This wisdom/knowledge is based on a feeling that cannot be proven scientifically. It is not merely based on sight and sound. It is based on something beyond sight and sound and reason that has given you this very real wisdom/knowledge.

It is a wisdom based on love and this GOD GIVEN unconditional love will give you the wisdom to understand and do what is right for the people you love. Think of a time when you had no idea what the right thing to say was in an unusual situation but your God given unconditional love told you what to say and do after prayer. It was God's Holy Spirit acting in you. It was God's wisdom acting in you.
