THE CONCERT : WHAT YOU WILL SEE AND HEAR

'The Diary of Anne Frank Her Journey in Music' by Composer Girish Paul is a dramatic concert production by the multi-instrumentalist and his virtual orchestra. The show features powerful storytelling via orchestral music and on-screen filmed performances by professional Irish actors which capture the loves, joys, growth, conflicts, compassion, resilience and innermost feelings of the remarkable 13-year old schoolgirl whose message of Hope in secret hiding during World War Two has inspired millions. A message as relevant today as ever.
