Celebrating the Joy of the Risen Christ

Easter is a time of great rejoicing for Christians all over the world as it celebrates the Resurrection of Jesus from the dead which gives meaning to our faith. And all our hope is rooted in our faith.

It is the oldest Christian holiday and the most important feast of the Church's year around which all other liturgical celebrations are arranged.

The Resurrection of Christ is the beginning of new life within the whole of creation. It is a Springtime in our lives with buds and blossoms greeting our every step and evidence of new life and new birth is all around us. Spring is an energetic season of new life and hope, a time of re-awakening of all of nature from its winter slumber.

All of God's creation is renewed in the Resurrection of Jesus from the dead. Easter morning is a joyous day and a time of new birth, a day of celebration. We are full of joy and hope as we ring out our bells, announcing the Resurrection of Jesus and sing 'alleluia alleluia, alleluia'!

As we celebrate Easter, we remember our suffering sisters and brothers in war torn parts of the world, and pray for a just and lasting peace.

We wish you all a very happy and blessed Easter and thank you for your support and generosity at all times.

Deaths: Remember in prayer Richard Barry and Phyllis Irwin who died this week.

Baptisms: We welcome the following who were baptised recently into the faith community; Ellie Patricia Wallace and Allie Murphy.
